Subject : revival of unintentionally abandoned applications 10/760.075 and 10/505.469

Dear Sir,

I apologize to contact you so late, related to your notice of abandonment of the 2 applications above mentionned, I received at the end of February.
In 2006, an attorney was supposed to take in charge the answers to your letters mailed respectively on July 7th and 17th 2006. I am very surprised that you received no reply.

I would like to revive these applications which were unintentionally abandoned.
Could you tell me if I can fill a petition according to § 1.137 to revive these 2 applications ?

Thank you in advance for your comprehension and your quick answer.
Feel free to contact me at any time.

Best regards,

Frédéric Fortin
